1. EXECUTIVE SUMMARY & CORPORATE STRUCTURE

Golan Sa Ma Group Ltd. is an international trading, procurement, and supply chain management company based in Majdal Shams, Golan Heights [cite: 1]. Registered under Company ID 515773208 and directed by Rafik Ayoub, Managing Director, the enterprise manages cross-border trade operations, bulk container importation, and localized distribution networks [cite: 1].

With an emphasis on operational excellence, compliance with standard regulatory frameworks, and robust logistics management, Golan Sa Ma Group Ltd. bridges international manufacturers with regional commercial partners and end buyers [cite: 1].

2. KEY DIVISIONS & BUSINESS PORTFOLIO

Solid Fuels & Heating Solutions

Specialized bulk importing and distribution of industrial and residential wood pellets, premium charcoal, biomass pellet stoves, and heating equipment infrastructure.

Energy & Power Storage Systems

Procurement and supply of portable power stations, emergency power backup storage units, and related electrical hardware for consumer and commercial distribution.

Consumer Goods & Proprietary Brands

Strategic management of specialized retail brands, including the La Roza yerba mate product line, accessories ("Bambija"), tactical goods, and commercial imports.

3. OPERATIONAL INFRASTRUCTURE & SUPPLY CHAIN

Phase	Core Capabilities & Logistics Execution
Global Sourcing	Direct supplier relationships and container procurement across international hubs in Asia, Europe, and South Africa.
Freight & Port Logistics	Containerized ocean freight clearance and distribution coordinated through major regional ports, including Haifa Port.
Partnership & Distribution	Established commercial contracts, LOIs, and seasonal trade supply agreements across Israel.
Regulatory Standards	Full regulatory compliance, commercial standards, and financial accounting alignment (statutory 18% VAT standard).
